

Gaylord 4th Grade Supply List

Welcome to 4th Grade!

Please bring the following to our first day of school. Please note that you won't need a 3 ring binder or trapper. There isn't enough room in desks, cubbies, or backpacks for these. Instead I will be supplying a series of pocket folders for the various subjects.

- \$10.00 for Washington Studies Weekly and Scholastic News
- A back pack or shoulder bag (this will need to fit in locker)
- 1 pack of wide rule loose leaf notebook paper (for anything handed in)
- 1 pocket folder to hold the paper
- 2 spiral notebooks (for journaling)
- #2 pencils 24 count
- 4 large glue sticks
- Box or two of tissues to share
- Gym shoes - These don't need to be new, but they need to be clean to protect the gym floor.
- Pink eraser

The following are optional but kids often like their own supply at the ready:

- Colored pencils
- Colored markers (Regular or fine tip)
- Zippered pencil bags to hold these. (Boxes don't work)
- Black extra fine tip sharpies

Finally, a nutritious non-sugary snack for our midmorning snack is requested. It is a long morning and the students need refueling from all their hard work.
