

STUDENT ANNOUNCEMENTS:

NOTE: **Announcements intended for both Middle School and High School

Week of January 22, 2012

This is NOT the final week of the quarter/semester. We have moved finals to next week. See possible schedule at the end of the bulletin.

There will be no half days for finals. It has been noted that we missed four days of school last week and that more time off is not affordable.

We are going to have to make up at least two of the days missed. We may be able to get a state waiver for the other two because the governor called a state of emergency late on January 18th.

There may be more snow between now and the arrival of Spring- hopefully no more days missed.

BUT the days are getting longer now. You can calculate the difference:

January 1st sun rise: 8:02 am
 sun set: 16:29pm

January 20th sun rise: 7:51am
 sun set: 16:56pm

**The January OASIS Commencement Ceremony was very, very great!!!!
