For students interested in Career Choices credit 2nd semester:

If you are 16 or older there is credit available for those that want to work for pay or apprentice. 90 hours unpaid which is equal to roughly 5 hours/week or a paid position is 180 hours or about 10 hours/week. This class is a huge plus on a resume and your transcript. It is good to get started on your plan during break or long before the semester starts.

Stop by and see Mrs. Schuh in room 301 for paperwork and registration information.

Eric Youngren's business, Solar Nexus, is hiring for long term and temporary positions. Willing to work with a part time schedule and around school hours. Contact Mrs. Schuh or send Eric a letter and resume. Career Choices credit is possible if you land a paid or apprentice position.
